

Benefits of becoming a member:

Society Register - for all donkeys and mules regardless of breeding.

Support - The Donkey & Mule Society has North and South Island Representatives and local area representatives, all knowledgeable and willing to assist new owners to understand the care and enjoyment of their donkeys and mules. This information can be found on the Society website.

www.donkey-mule.org.nz/advise.html

Social Get-Togethers - The Society organises social get-togethers and days such as The International Day of the Donkey and Shows. The AGM is held in May and alternates between the Nth & Sth Islands. This is also a fun time for activities, meeting people and sharing stories.

Field Days - days are held on handling, care and training, driving, and more.
